## Book Details:

*Review: I am neither a beginner nor an expert beader. What I was hoping to get from this book, I did - kind of.....Because this book is advertised/promoted as a pattern book, I thought it would be a good source of ideas to help me advance in beading. It is, as there is a good selection of subjects and styles; however, the expert beader will probably...*

*Description: The Big Book of Beading Patterns is the go-to compendium of patterns for all types of stitchers. Many pattern books focus solely on loomwork, but this book also includes popular stitches like peyote, brick, and square stitch in addition to loomwork. The gorgeous patterns here can be used to make beaded bracelets, amulets, tapestries, and more. Patterns...*
